NAPSA attends APP - March 17th-20th

NAPSA's executive and seven Committee Chairs met at the 2011 Australian Pharmacy Professional Conference (APP) on the Gold Coast this past weekend to plan for the coming months, and to showcase the benefits of NAPSA membership to students and industry.

The weekend served as a unique opportunity to sign off on a three-year sponsorship deal with the Pharmacy Guild of Australia and its partner companies; Gold Cross, Guild Insurance and FRED Health. NAPSA is thrilled to be working with these companies for another three years, and are grateful for their continued support.

NAPSA were fortunate to have representatives attend the "State of the Industry Symposium" as well as the opportunity to attend many of the sessions within the educational program including the "Network your way to ownership" breakfast.

NAPSA wish to acknowledge the Pharmacy Guild of Australia for sponsoring NAPSA's attendance at APP again in 2011.
